

## Permits and License List

The following is a list of licenses and permits issued by the Town of Nantucket by Department along with current fees. In most cases, the department under which the permit appears is the Issuing authority. Superscript numbers that usually denote a prior approval may be necessary from different departments (as indicated) before issuance can occur.

**CAUTION:** It is necessary to consult each applicable Town Department for information on restrictions, conditions, etc. for each license/permit.
